### **Coronavirus (COVID-19) Update – March 4, 2021**

#### *Governor Abbott Lifts Many COVID-19 Restrictions*

Governor Abbott has issued Executive Order GA-34, which lifts the statewide mask mandate and opens all businesses to 100 percent capacity as of Wednesday, March 10, 2021. The order gives County judges the permission to reduce capacity if local hospitalizations increase to over 15 percent for a seven-day period. [Click here to read the full order.](#)

Business owners have the authority to continue implementing any such protocols so visitors should refer to each business for their specific procedures.

The City of Helotes is currently evaluating our City-sponsored special events schedule (such as the Helotes MarketPlace and Movie Nights at the Park) to determine how we will proceed with our scheduled events. Please continue to visit the City website for updates or contact us at [publicrelations@helotes-tx.gov](mailto:publicrelations@helotes-tx.gov) for details.

Organizations or event coordinators interested in holding events in the City of Helotes, should contact Krista Vaillencourt at [kvailencourt@helotes-tx.gov](mailto:kvailencourt@helotes-tx.gov) for information on permitting in the City.
