

SPECIAL EVENT NOTICE TO RESIDENTS & BUSINESSES

Our organization wishes to inform you of an exciting event coming to your area on **April 10, 2022**. We are L' Etape by Tour de France San Antonio. The Tour de France is the premier event for road cycling, and we are excited to bring our brand to your part of the world.

What is L'Étape by Tour de France?

L'Étape San Antonio by Tour de France is a new unique cycling experience coming to Texas in 2022. L'Étape by Tour de France is a world leader in mass participation cycling events, bringing a quality, authentic Tour de France experience across the world. L'Étape by Tour de France is held in 14 different countries and offers amateur cyclists the ability to race or ride a stage of the Tour de France in their own backyard.

As with any mass participation event held in an area with a large population base certain inconveniences are an inevitable occurrence. We do apologize for that; however, it is necessary in order to conduct an event that has the safety of everyone involved top of mind and it is our number one priority. Not only for those involved but also for yourself and everyone in the area that may be affected.

Due to the size and scope of the event certain temporary road closures will be necessary and you may be affected by them. As mentioned earlier our event takes place on **Sunday April 10, 2022**. It will start and finish at the east campus area of UTSA and various road closures will take place between 4:00 AM and 6:00 PM on that day along the route of the course.

Vehicle access to these areas will be limited or restricted completely during this time frame. All intersections will be controlled by Police and any emergency scenarios shall have priority access throughout the day. If you need to leave your residence during the day you should expect to be detoured around your normal routes.

We have acquired all the necessary municipal and state permits for these closures and ample signage will be installed along all portions of the route.

Attached with this notice is a table outlining the various closure locations and approximate times that they will be in effect. Contact and website links are provided if you have any questions or simply want more information on our event. The website does include links to the course routings, so please check them out to see how the closures may affect you.

L' Etape by Tour de France organizers and participants thank you for your patience and cooperation and remind you to drive safely. For information on the event, please visit: <https://www.letapesanantonio.com/>

Medical Access: All medical emergencies will have priority during the event. In case of an emergency, dial 9-1-1.

Get Involved: Interested in getting involved? We would love to have you help out. We have some great swag for our volunteers, and you will get a front row seat to a fantastic event. For more information email: tbenke@sanantonioports.org

We thank you for your patience and cooperation for our event. **For questions, please contact info@mbevents.ca**

Sincerely

The L' Etape organization
