## Call for Artists

Project: Major Art Sculpture for OTH Traffic Circle

Funding: Up to \$35,000

### Project Summary

The Helotes Economic Development Corporation seek to commission a permanent, site-specific, outdoor installation at the traffic circle located in Old Town Helotes. The HEDC invites artists/artist teams to submit their qualifications and conceptual design to be considered.

### Project Objective

- Foster community pride and convey a sense of Helotes;
- Incorporate a sense of Texas, the Hill Country, and or Helotes;
- Support the City's visitor and tourism industry by enhancing our growing collection of art;

### Project Scope

The installation will occupy no more than a 15-foot radius. This is a high-traffic area and visibility must be maintained for vehicular traffic. Furthermore, it must be made of materials that can withstand Texas weather.

### Budget

The budget for this project is a matching grant of up to \$35,000 with additional funding possible through other partnerships.

### Submission Requirements

- Letter of intention
- Completed online application, available at [www.helotesedc.com](http://www.helotesedc.com)
- Artist rendering of the concept
- Artist resume or bio for each artist

### Submission Deadline

Submit required materials either online at [www.helotesedc.com](http://www.helotesedc.com) or to the HEDC office located at 12682 Old FM 1560, Suite 105, Helotes, TX 78023 no later than March 31, 2023.
