VOLUNTARY ANNEXATION APPLICATION

The City of Helotes is a Type A General Law City and can only annex territory at the request of the property owner. The territory must be contiguous to the City and must meet other criteria (explained herein) before the annexation process can begin. The request for annexation will be considered solely by the City Council, which holds sole discretion in granting or denying a Petition for Annexation.

Purpose of Annexation:

The purpose of the annexation process is to bring property that is located in Bexar County into the corporate limits of the City of Helotes. The procedural requirements for voluntary annexation are governed by Texas Local Government Code Chapter 43 *Municipal Annexation*.

Annexation Process:

1. Landowner submits a petition requesting voluntary annexation.
2. The petition is reviewed and a Staff Report is prepared to determine if the City should annex said property (ies).
3. At a public meeting, the City Council considers the petition for annexation. The City Council decision to grant the petition shall be based, in part, on Staff recommendation. If the City Council accepts the petition for annexation as submitted, the applicant will pay the applicable fees and Staff will move forward with the public hearing proceedings. This includes the publication of the newspaper notice, mailout of a written notice to property owners within 200 feet of the subject property to be annexed, and holding the public hearings. If the City Council denies the petition for annexation, the process ends.

Document Submittal Checklist:

- Letter of Intent** - Describe the purpose of the annexation, proposed zoning designation, future land use, if the property is vacant or occupied, etc.
- Petition** – Complete the included Voluntary Annexation Petition.
- Ownership Documents** – Clean copy of recorded warranty deed or other document(s) conveying ownership of all the property to be annexed.
- Legal Description/Metes and Bounds** – A clear and legible copy of certified field notes (“Metes and Bounds”) describing the boundary of the property that is being petitioned for annexation with a graphic exhibit (map, plat, survey) clearly showing the property. Re: Letter of Intent for Annexation and Rezoning Application for the 6.714 Acre Property
Located at 11395 Shaenfield Road, Bexar County, Texas; Our File No. 9909.001.

Dear Mr. Gallardo:

Attached please find an application for the annexation and rezoning of the 6.714 Acre tract located at 11395 Shaenfield Road, currently in the ETJ of the City of Helotes. The Developer would like to both have the property annexed into the City limits of Helotes pursuant to a Development Agreement.

The proposed project will be a small shopping center, commercial pad sites and a small self-storage building.

In conclusion, the proposed project is compatible with the surrounding land uses and will bring needed commercial uses to the area and increase the City of Helotes' tax base. This request will not permanently injure the property rights of owner(s) of all real property affected by the proposed zoning change. This request will not adversely affect the health, safety, or welfare of the general public.
